3. Valuation Methodology

Investments are carried at fair value in accordance with ASC 820. The portfolio company Brightfield Manufacturing Holdings, Inc. has been valued using a blended EV/EBITDA multiple approach (8.5x LTM EBITDA) consistent with comparable public company trading multiples as of March 31, 2026. Valuation has been reviewed and approved by the LPAC valuation committee.

* Beginning balances reflect post-close adjustments and allocation of organizational expenses. Amounts may differ from individual capital call notices due to timing differences in expense allocation. Please contact fund administration with any questions regarding your individual statement.
