This Side Letter Agreement (this "Agreement") is entered into as of January 8, 2026 by and between Obrelund Capital Management III, LLC (the "General Partner"), as general partner of Obrelund Capital Partners Fund III, LP (the "Partnership"), and Yarrowmede Strategic Investment Authority (the "Investor").

The Investor is a sovereign wealth fund established by and wholly owned by the Government of the Sovereign State of Yarrowmede, and is entitled to certain protections and accommodations under applicable law and customary international practice.

Section 1 — Sovereign Status and Immunity

The parties acknowledge and agree as follows with respect to the Investor's status as a sovereign entity:

(a) The Investor is a sovereign entity of the Government of Yarrowmede and, as such, may be entitled to claim sovereign immunity from suit in the courts of the United States and other jurisdictions.

(b) The Investor does not waive, and nothing herein shall be construed to waive, any sovereign immunity to which the Investor may be entitled under the laws of any jurisdiction, including without limitation the Foreign Sovereign Immunities Act of 1976.

(c) The General Partner acknowledges the Investor's sovereign status and agrees to cooperate in good faith to accommodate the Investor's requirements under applicable international law.

Section 2 — FOIA and Disclosure Exemption

In recognition of the Investor's status as a sovereign entity and the sensitivity of information shared by and about the Investor:

(a) The General Partner shall not disclose to any Person — including other Limited Partners, regulators, government agencies, auditors, fund administrators, or any other third party — any information identifying the Investor as a limited partner of the Partnership, the amount of the Investor's Capital Commitment, the Investor's capital account balance, or any other information relating to the Investor's investment in the Partnership, without the Investor's prior written consent.

(b) The foregoing restriction applies to all reporting, including without limitation: SEC filings, Form ADV disclosures, AML/KYC submissions, audit confirmations, tax authority requests, and any regulatory examinations or inquiries.

(c) In the event that the General Partner receives a legally compelled demand for disclosure of information about the Investor, the General Partner shall: (i) provide the Investor with immediate written notice; (ii) cooperate with the Investor's efforts to seek a protective order or other appropriate relief; and (iii) disclose only the minimum information required by law if relief is unavailable.

(d) The Investor shall have the right to approve in advance any regulatory filing that references the Investor's name, commitment size, or investment.

(a) **First Priority Co-Investment:** The Investor shall have first priority co-investment rights with respect to any investment opportunity where the total enterprise value exceeds $100,000,000. Section 5 — Tax Treatment

Notwithstanding Section 13.1 of the LPA, the Investor may transfer all or any portion of its interest in the Partnership to any wholly-owned subsidiary or affiliate of the Government of Yarrowmede without the consent of the General Partner, subject only to the requirement that such transferee execute a joinder agreement and make all representations required of a Limited Partner under the LPA and this Agreement.

Section 7 — Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, subject to any mandatory provisions of applicable international law regarding the Investor's sovereign status.
